1. Mr. [REDACTED] remarked that Mr. [REDACTED], CFE/Support and DCFE/Support, respectively, had complained to him concerning paragraph 8 of my memo of conversation dated 27 July 1959, subject: "Future of CIA Facilities [REDACTED]" and asked that they be cut in on any future meetings [REDACTED] on [REDACTED] matters. Mr. [REDACTED] said that the "problem" would not arise again because my [REDACTED] participation arose from my accompanying the DD/S to the prior meeting with [REDACTED] and was in response to a personal request by [REDACTED]. I replied to Mr. [REDACTED] that I appreciated his response and stated that [REDACTED] complaint was unwarranted. I had "cleared" my meeting with [REDACTED] in advance with both [REDACTED] FE/EXO, and subsequently called personally on [REDACTED] in his office at 1530 on 29 July 1959, thus giving FE ample opportunity to query me in detail as to any part of my discussion [REDACTED]. At that same time I reiterated my advice to [REDACTED] that further routine conversations in re [REDACTED] should be conducted with the FE or the CIA liaison officers [REDACTED].

2. Language Instructors. Mr. [REDACTED] suggested that OTR be very cautious in considering the proposal to place a staff employee on "independent contract" to serve as a language instructor. (An exception to the overtime regulation might be an easier solution.)

3. Tax Relief. We exchanged remarks to the effect that even overt instructors had to pay state and local taxes.

4. Personnel Ceiling. Will be set forth by memo at [REDACTED] plus JOT's.
